

# Architectural Elements™

by Barry

**If you want an original and distinctive means** of expressing your creativity and elegant design ideas, consider using **Architectural Elements** by Barry.

Our unique combination of cordage, colours, textures and woven materials allows you to push the limits of space and design to places you've only dreamed of. Our craftsmen will support you every step of the way.

**Wherever in the world your ideas take you, we'll be there to help.**

Call us now, at 1.800.305.2673  
or visit us on the web.
